ANNUAL GENERAL MEETING

The NBHPCA held its annual general meeting on Dec. 6, 2024. The online event had excellent attendance and participants were provided with updated information regarding the strategic plan, education opportunities and the associations annual financial report. It's exciting to see such interest and momentum in terms of palliative care in our province.

STRATEGIC PLAN & WEBSITE

The strategic plan revisions have been completed and the updated (2024-2027) plan is now available on our website.

Please note: Construction on our website continues. In order to improve the user experience our website is now hosted by a new provider. Trust that we continue to work hard to ensure that all information is available in both official languages.

SUCCESSFUL FALL EDUCATION DAY

The small community education events held in Shediac and Sackville were very successful! Both venues were sold out and participants provided very positive evaluations. We are working on more education opportunities for 2025 as we strive to enhance our connections with the nursing home sector.

2025 NBHPCA CONFERENCE

The NBHPCA Annual conference will take place in person this year at Kingswood Lodge in Fredericton, NB on April 24&25, 2025. The theme for this year's event is Palliative Care – It's Everybody's Business! *Featuring:* Dr. Hsein Seow and Dr. Samantha Winemaker from The Waiting Room Revolution Podcast and authors of Hope for the Best and Plan for the Rest. Registration details and a complete agenda will be available soon via our website.

LEAP NEWS

Planning for winter and spring LEAP learning opportunities is underway. Thanks to the small but mighty group of NB trained facilitators who step up and facilitate multiple courses while continuing to manage their clinical responsibilities.
