NOMINATIONS

CALL OUT FOR NOMINATIONS

The NBHPCA is looking for nominations for our Board of Directors! If you or anyone you know is interested in one of these positions, please email us at secretary@nbhpca-aspn.ca or submit your interest using the contact form on our website. You can find the terms of reference for our board of directors on our website.

APRIL IS A BUSY MONTH!

April 1, 2025 is National Caregiver Day - an opportunity to raise awareness of the efforts of the almost 8 million caregivers in Canada who are providing care for others. Every year, ACP Canada hosts **Advance Care Planning Day on April 16th, 2025** to make sure everyone across the country understands why it is essential to plan for their health and personal care. The NBHPCA will acknowledge both important dates with posts on our website and other social media platforms.
